Salt Partners unveil plans to establish an engineering working group in Prague

<http://youtu.be/jwihMm3xfO4>

Salt Partners are engineering consultants and contractors, active in the field of salt production, processing and hypersaline biotechnology. We invite chemical engineers having 5 – 10 years of experience in process development, contracting, plant engineering and project management to submit expressions of interest supported by curriculum and references. We offer an opportunity to successful candidates to start an outstanding international career and be rewarded with remuneration that is well above average.

Vladimir M. Sedivy MSc (Honours) Chem Eng, IMD
