on 3.12.2009 at 09:15

at the 2009 Asia Salt Chemical Summit organised by CBI China, Harriman Chemsult and AMAI
in Crowne Plaza Hotel, Sanya, Hainan Island, China

Industrial salt supply status in Asia-Pacific

The presentation will review the recent salt supply developments in Asia-Pacific including Australia, Mexico, Chile, India and China. It will show the salt production and consumption capacity distribution and trade. It will examine the quality requirements and price mechanism of salt for caustic soda and soda ash. It will discuss the structural reasons for the present global shortage of high quality solar salt for industrial consumption. The presentation will be published on Salt Partners website under the following link: www.salt-partners.com/publications.htm.
